COMENTARIO DEL AGENTE:

Built in 1988 at Jongert shipyard in Medemblik, this Jongert 20 DS showcases top-tier craftsmanship and Peter Sijm's design. Notable features include an exquisite wood interior, spacious walk-in engine room and a generous cockpit area. She boasts a cozy, well-protected pilothouse and is one of the few equipped with the highly practical Jongert platform. The yacht has a fully hydraulic rig for easy handling and a steel hull for safety, making it ideal for family world cruising.
