COMMENTAIRE DU COURTIER:

An opportunity at a fraction of her cost to acquire the steel hull of the two masted topsail gaff schooner classic Ingomar 1903 replica. Her ex-captain Charlie Barr put her to the test and said "Ingomar is the best of cruising yachts you will find anywhere"

Nathanael Herreshoff described her as "a wonderfully good schooner that easily proved to be the fastest of his kind".

The custom deckhouses are already made, and the owner has also accumulated many suitable parts, which will be sold separately.

She is currently lying in Holland (out of the water).

Additional vessel equipment available separately.
