COMENTARIO DEL AGENTE:

This 17.60m Jongert 16S, designed by Doug Peterson and built in 1979 by Jongert, is a classic steel bluewater for offshore capability.

She benefits from a spacious and traditional Jongert interior featuring an aft owner's cabin with ensuite facilities, two guest cabins with private bathrooms, and a fully equipped galley.

Recent works significantly enhance her condition, including a new teak deck installed in 2024, hull repaint with Awlgrip in 2022. This 17.60m Jongert 16S, designed by Doug Peterson and built in 1979 by Jongert, is a classic steel bluewater for offshore capability.
