Berths: 10

Cabins: 5

Head: 6

Crew Berths: 6

Crew Cabins: 3

She sleeps up to 10 guests across 5 generous suites: a Master Suite on deck, two comfortable VIP cabins and two twin cabins.

For a truly relaxing stay, every cabin offers internet access, an interactive Google Nest screen, air conditioning, heating, a TV, an intercom, wardrobes, a desk, ambient music speakers, a sofa and an en-suite bathroom with a hairdryer.

CREW:

6 crew members on board, in 3 spacious cabins, each with their own facilities.

Air conditioning and heating, crew mess, toilets, showers, fridge, microwave and TV.

ACCOMMODATION EQUIPMENT:

Open-air Cockpit: A striking vitrified wooden table inlaid with a compass rose, with seating for 10 – ideal for al fresco cocktails or simply relaxing while under way.

Flybridge: Two folding side tables, each seating five, and a giant projection screen for outdoor film nights. It also features a large hot and cold Jacuzzi with underwater lighting, a dishwasher, freezer and fridge, a barbecue deck, a sun deck, a removable summer awning and a second fully equipped navigation bridge.

Saloon: A spacious, classically styled saloon with a new self-playing grand piano, a new living room TV, a stereo system, automatic curtains and bespoke decorative lighting.

Dining room and bar: A 10-seat dining table and a bar equipped with an ice maker and wine cellar.

Guest bathroom: Located on the main deck, with a sensor-activated washbasin and toilet.

Corridor: Finished with a marble floor and upholstered walls, the corridor connects the master suite, the galley, the guest cabin area, and the staircases down to the lower deck and up to the bridge. A large built-in wardrobe holds speciality crockery, cutlery, glasses and stemware for every occasion – much of it never used.

Navigation Bridge with seating for seven people, featuring a separate desk with an HP colour printer, a laminator, etc. Excellent visibility for manoeuvring, air conditioning. NIKON marine binoculars,...

AIR CONDITIONING:

Cruisair

GALLEY/LAUNDRY:

Bathroom Evac system serviced
Air-conditioning system fully serviced

BROKERS COMMENTS:

She was built by the iconic Greenbay Marine Group, the renowned shipyard that has delivered 400 vessels of various types, ranging from luxury motor yachts to military vessels, over the past 35 years.

Constructed in 1996 at the Greenbay Marine shipyard in Singapore as the shipyard owner's private yacht, this 35-metre motor yacht features an exterior designed by acclaimed naval architect Paolo Scanu, known throughout the yachting world for his work on M/Y Lady Moura.

Her classic interior, featuring fine maple and pear wood accented with marble inlays, was created by award-winning designer Leese Robertson Freeman, whose portfolio includes ultra-luxury hotels around the globe, such as Mandarin Oriental, Shangri-La, InterContinental, Marriott and Conrad Hilton.

Truly one of a kind, this transatlantic-capable yacht has crossed the Atlantic twice to cruise the Caribbean. Built without regard to cost for an owner of two major shipyards, she pairs timeless elegance with safety, comfort and outstanding range, allowing long voyages without worrying about fuel, water, power or losing internet and communications. Designed for the enjoyment of her owners and guests, she also offers strong earning potential in the lucrative charter market.

She was constructed under the strict rules of the ABS (American Bureau of Shipping).
